1. The following is an examiner's statement of reasons for allowance: the claims are allowable because the prior art of record fails to disclose or teach the recited steps of measuring a mean radian temperature in the vehicle cabin, measuring an air temperature, computing a difference between the two temperatures, estimating a solar radiation intensity according to the difference, and adjusting the cooling capacity of the climate control system based on the estimated solar radiation intensity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William E. Tapolcai whose telephone number is (571) 272-4814. The examiner can normally be reached on Mon. - Thurs., 6:30 to 5.
